Australia East Timor Friendship School Project Partner Application

Please accept this renewal as an FSP School Partner. Our details appear on the front of this form. We understand that the fee for being a partner is \$90.00 per annum, inclusive of GST.

We understand we will receive the quarterly FSP Newsletter and regular email updates, the Calendar of Events and other FSP Resources. We may participate in any or all of the activities offered as part of the Calendar of Events. We seek to raise awareness in our school community of Timor-Leste and also initiate or be involved in activities that assist schools in Timor-Leste.

We understand that our school will be partnered with a school in Timor-Leste and that this involves a serious commitment for a minimum of 3 years. Activities include:

- Maintaining contact with our School Partner through the exchange of albums, posters, banners or flags, using Tetun where possible and seeking to be culturally sensitive.
- Integrating the learning about Timor-Leste into our school curriculum where appropriate, using the FSP Timor-Leste Curriculum Units developed by teachers involved with FSP.
- Supporting the major FSP annual fundraising initiatives. These initiatives change from time to time and actively support education development and learning in Timor-Leste.

I am the Principal of our school. I have read the FSP information provided. I understand the philosophy and goals of Friendship School Project and the commitment that our school has undertaken.

Name: **Signature:**

I am the Main FSP contact person for our school. I have read the FSP information provided. I understand the philosophy and goals of Friendship School Project and the commitment that our school has undertaken.
